Online Training Report for MU, INDIA

INTEGRA (DevelopINg Tailored comprEhensive services for younG migRAnts) project, co-funded by the Erasmus+ program of the European Union has been carried out by seven universities from Greece, Portugal, India and Pakistan which is coordinated by Harokopio University, Athens (HUA). Marwadi University, India (MU) started the process to be the partner university of the INTEGRA project in the month of October 2022 under the guidance of HUA. Online training has been scheduled from 2nd November to 10th November 2022 in which six people Dr Arjav Bavarva, Prof Vijay Dubey, Prof Chandrasinh Parmar, Dr Krunal Vaghela, Dr Rajeshkumar Joshi, and Prof Shakti Mehta from MU participated.

Jorge Barbosa from University of Porto, Portugal (UOP) delivered Introduction to INTEGRA project and objectives, Iraklis Varlamis from HUA delivered Curricula structure, Joao Moreira from UOP delivered Learning methodologies and Psychosocial Support Training, and Antonio Coelho delivered on Trainees evaluation. The objective of this training was to train the trainers for the entire project, planning, execution, evaluation, and sustainability of the project by providing ICT and Psychosocial support. The training was delivered effectively and all participants receive the training completion certificate. After training participants started working on the project by providing the training to the trainers and enrolling test users in Moodle account.
